2. Does your organization have 501(c)(3) Status? **Yes**
3. What social issue(s) may students address through community service work at your organization?  
**The mission of the Science Center is to enhance educational opportunities for K-12 students in our community. STEM-related occupations are projected to be the fastest growing and highest paying careers for years to come, especially in the Tampa Bay region. The goal of the Science Center is to provide supplemental and enriched STEM-related educational programming to ensure young people, right here in the Tampa Bay area, are prepared for careers of the future.**
4. Do you have an age/grade requirement for volunteers? **Yes**
  - a. If yes, please specify: **16 years of age.**
5. What are some typical activities that students might perform if they complete community service hours with your organization? **Volunteer opportunities include for teacher aides for our Winter, Spring and Summer camps, retail helpers, animal caretakers, clerical support, event assistance, and lawn maintenance.**
6. When can students volunteer at your organization?
