Key Strategies:

The core instructional and monitoring strategies included in our action plans are:

- Use of data to design lessons to engage students in rigorous assignments.
- Differentiation of instruction designed to meet cultural backgrounds
- Utilizing project-based and personalized learning in appropriate settings;
- Continued and increased use of AVID strategies
- Utilizing scales and rubrics aligned to a learning goal to assess and inform instruction

Professional Development

The professional development efforts include the use of the year-long Marzano Framework with an emphasis on domains, AVID strategy training to increase the use of strategies in the classroom, data use and Check and Connect for specific teachers volunteering to be a mentor to students.

Parent and Community Engagement

Parent engagement efforts will continue to be a focus of our fundamental program. The school will continue to offer relevant curriculum information to parents on a monthly basis through PTSA and SAC meetings. The Family and Community Liaison will reach out to community businesses and civic organizations to share information about our school and seek available resources and support for the students at Osceola Fundamental High School.
