

eBook Challenge

During the month of April, all schools will participate in the eBook Challenge. This challenge entails having both students and staff read eBooks actively. Their **school data will be tracked for the** * **month** and the school in elementary, middle and high school with the **most patrons reading eBooks (not the most eBooks)** will win a class set of Kindles, their cases and the tech tub security system. Your media specialists have the directions on how to access, use, check out and download eBooks for reading enjoyment.

Here is the link to an online Training video for accessing and using eBooks with Destiny, MackinVia and Overdrive.
