## NEWSFLASH!

Dear Safety Harbor Families,

It is that time of year when we are sharing our thanks for the many special things in our lives. In addition to the gratitude I have for my family, I would like to share how grateful I am for our families who joined us for the festivities this past Friday as we celebrated our school’s Centennial year! The Alumni Centennial Program/ Reception and Fall Festival were a great success and a great time was had by all. A special thank you to our PTA, parent volunteers and SHES Staff members who spent a great deal of time and energy organizing and hosting these events. Also a special shout-out to Kelly Edwards, our PTA Vice President, who is the team leader for Fall Festival!

This past week report cards were sent home with students in Kindergarten through 5<sup>th</sup> grade. Please be sure to sign and return the envelope to your child’s teacher. Now that the first grading period has concluded, please continue to communicate with your child’s teacher and use FOCUS to maintain an awareness of your child’s academic performance.

Upcoming in the month of November we have All Pro Dads, our Veteran’s Day Concert and breakfast celebration, Student Council elections, as well as The Great American Teach-In! If you have not already signed up to share your talent for the teach-in, please contact Lisa Zollars, our community and family liaison, to participate in this volunteer opportunity.

I hope you enjoy this month and look forward to your support in helping to make SHES Shine!!

Sincerely,  
*Cecilia Palmer, Principal*

**K-Kids News!**

K-Kids Club is gearing up to throw a holiday party for the children and mothers who currently reside at The Haven, the County's domestic violence shelter. A representative from The Haven visited K-Kids recently to talk about the shelter, which she explained is a safe, secure place for mothers and their children, where they receive clothing, food, help finding jobs and classes. Of particular interest was a class that helps children at the shelter express their feelings through art. Kiwanis leader, Janine Brown, a 38-year veteran teacher, was amazed at the in depth questions asked by the fully engaged K-Kids. The inquiries ranged from length of stay to security measures to protection of other relatives, particularly grandmothers.

Over the next several Fridays, K-Kids will make decorations, choose and wrap gifts, and arrange food and entertainment for The Haven party. SHES's own Mrs. Carstensen has agreed to provide music and lead the kids in dancing.

Kiwanis Club of Safety Harbor is also preparing for our own Holiday Arts and Crafts Show on Dec. 11, which will feature performances from public school children at the Gazebo, including choruses and bands from Countryside High, Safety Harbor Middle and Leila Davis Elementary. We invest one hundred percent of the proceeds from these events back into the community through such programs as K-Kids and Student of the Month. If you'd like to join us in our efforts to improve the world one child and one community at a time, please contact Kiwanis President Charrie Moscardini at [SHKIWANIS@gmail.com](mailto:SHKIWANIS@gmail.com).

**CONGRATS!!**

Students of the Month

**Brennan Hessel & Harmony Roman**

The Safety Harbor Physical Education Department led off this year's awards of Student of the Month at the Kiwanis Breakfast. We were proud to present Brennan Hessel and Harmony Roman with the very first recognition of the school year. Harmony and Brennan epitomize what it means to bring their "A" game every day to Physical Education class. Both are very good athletes who interact well with their classmates. They're looked up to as leaders, and both perform admirably in the classroom. Brennan and Harmony are both high character kids who work hard, play by the rules, encourage others, and always give their best efforts.
