ANCHORED IN ACHIEVEMENT

IN THIS ISSUE

Principal's message: Strong community equals Strong School

Believe it or not, the Fall season has arrived. We had a great school opening month and welcomed families to another exciting school year. This month represents a busy time of year for us. I invite you to attend our annual Fall Festival sponsored by the Parent Teacher Association. The event is October 16th from 5-9pm on our campus. This family fun-filled event supports teacher initiatives and classroom learning materials. We hope to see you and your family!

I also thank you for sustaining Sunset Hills Elementary school as a great place for learning. We are continuing the tradition of academic success with your support. Faculty, staff and students are "anchored in achievement" as evident by what I see daily as I walk through classrooms, interact with students in the hall, and have causal conversations with students in the cafeteria.

This school year we focusing and teaching our students to uphold the RAYS Way, or the guidelines for success. Our guidelines are:

Respectful to All
Always Prepared
Yearn to Learn
Safe in all places

Collaboratively we're striving to demonstrate these guidelines as we learn to maintain a safe learning environment.

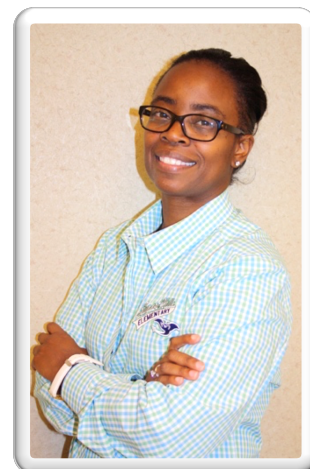

Likewise to teaching students social-emotional expectations, has your child been talking about goals and scales? Perhaps, your child has shared that he/she is learning how to track their own learning through the use of goals and scales. Teachers are implementing learning systems which enable students to be responsible learners. You might be surprised about how students are tracking and celebrating their own learning. I encourage you to discuss with your child about the importance of goal setting and how it is a great habit to develop as a life skill.

As a reminder if you have not formally met with your child's teacher, October 19th is a parent-teacher conference day. Please contact your child's teacher to arrange for a conference on this date or by the Winter Break. School is closed for students on this date. Truly, your active parental engagement is the difference in your child's learning experiences. We encourage you to visit the school website as we are improving school communication with families.

Lastly, we welcome your feedback and partnership as we prepare your child for college, career and life.

We **ARE** Sunset Hills Elementary School!

Sincerely,
Ms. Miles

OCTOBER 2015

FAMILY ENGAGEMENT CALENDAR-Elementary School

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
4	5	6	7	8	9	10
Parent/Teacher conferences are coming soon. Prepare your questions in advance.	Share your expectations. - Expect your child to be courteous and respectful of others in and out of school.	Praise your child for their efforts in school and at home.	Review your family's "house rules" for completing homework? (Ex: Must be done before watching TV, playing video games, computer access, etc.)	Be positive about homework. The attitude you express will be the attitude your child acquires.	Fire Prevention Day Make sure that your family has a plan in the event of a fire in your home.	Create a new dinner menu. Ask your kids for ideas, as well as help in the kitchen.
11	12	13	14	15	16	17
Daily attendance is important to your child's success. Make sure your child is in school every day and on time.	Columbus Day! Discover places that your children would like to explore.	It's important to teach children from a young age the importance of spending and saving.	Make it a NO-EL day – "No electronics" day.	Keep writing materials available. Encourage your child to keep a journal.	Attend a local school football game. Enjoy being outside & with your children and other parents.	Ask your child to help clean the house. If they can make a mess, they can help clean it up.
18	19	20	21	22	23	24
Monitor cell phone/computer usage and messages to ensure your child's safety even though they may see it as an invasion of privacy.	Find out when the next PTA or School Advisory Council meeting is and attend.	Help your child get better organized by encouraging them to get everything ready for the next day before going to bed.	Expect your child to do homework on their own, but be available to read over a paper, listen to a speech, or help if they are having trouble.	Does your family talk in the car or during dinner? Make time to "unplug" and actually talk to each other.	The weather is turning cooler. Enjoy making a dessert with fall's favorite fruit - apples. Serve it with warm cider or hot chocolate.	 "Make a Difference Day" Together as a family help provide some community service or help your neighbors.
25	26	27	28	29	30	31
Set clear expectations and boundaries for your children.	Make sure that your child knows that you support teachers and administrators at their school.	Look for and respond positively to what your child has done well on a writing assignment <i>before</i> correcting mistakes.	If your child is having a problem in class, contact their teacher.	Elections take place next month. Talk to your child about the importance of voting.	Go over Halloween safety tips with your child and have fun tomorrow night!	 Happy Halloween!

Sunset Hills Computer Lab

Sunset Hills Elementary school is proud to announce our academic computer lab is fully up and running. Students visit this lab multiple times a week to engage in academic computer applications such as ST Math and iStation.

These applications are also accessible at home using the information provided below. This information is also available in a larger format on our school website.

At Sunset Hills Elementary your child is currently receiving individualized reading instruction through the use of the computer-delivered program, Istation. Your child can now continue his or her reading experience through unlimited access to Istation Reading at home! Istation is an internet-based comprehensive reading intervention program that ensures that students reach their full reading potential. It is an adaptive research-based formative instruction application based on the Florida State Standards for reading.

The next step is to install Istation on your home computer. This is a quick and easy process.

Go to <http://www.istation.com/Support/DownloadIstation> and follow the simple installation instructions.

School/Domain: sunsethills.pinellas.fl

Once you have downloaded the program to your computer, click on the application icon to log in. It looks like the picture below.

Using ST Math At Home

With ST Math, students play computer games designed to teach math. They can play the games at home on devices with internet access. We encourage you to have your child play the games to review and practice the math skills learned in ST Math.

Your child's teacher may assign ST Math games for homework. Please make sure only the child with the ST Math account plays the games. Your child will access the program just as he or she does at school. In ST Math, the game puzzles start off simple and then get more challenging as the student progresses. When they reach a challenging problem, your child should attempt the problem and use the visual feedback provided to help them figure out why their answer did or did not work. The feedback provided with each puzzle will help students figure out how to solve the problems. If your child is struggling, help them by asking them questions about what they see happening on the screen. You should not give your child the correct answer to get them past the game with which they are struggling. The goal of ST Math is to promote problem solving.

VOLUNTEER NEWS

by Becky Coghlan, *Family and Community Liaison*

We want to thank our **OUTSTANDING PTA** for hosting the Grandparent Breakfast on Tuesday, September 17, 2015. The response was terrific with over 230 of our Sunset Hills families attending. We would like to thank the following ladies: the PTA President, Cyndi Nelson and Beverly Scourtas our PTA treasurer for planning and implementing this event. Also, special thanks to Miss Allen, Ms. Delaportas, Mrs. Tsalickis and Ms. Ogburn for their assistance with this event. It was so nice to see so many of our Sunset Hills families enjoying time together.

We appreciate our 25+ year volunteer, Barbara Amico for sharing her volunteer experiences at the Volunteer / Business Partner Orientation Breakfast that followed the Grandparent Breakfast.

We want to thank the New Port Richey Sam's Club for their \$25 gift card for the support of orientation event. We also want to thank Tarpon Springs Papa John's. Please patronize these local businesses that always give so much to support the Sunset Hills Community.

Miss Taylor's class won the September Pizza Party. Next chance to win a pizza party for your child's class is our Papa John's Pizza Night on Tuesday, October 13, 2015. Their large pizzas are specially priced at only \$10.00 each which include are any of your favorite topping for this event.

Our September Volunteer of the Month is Beverly Scourtas who is our wonderful asset as the PTA treasurer and assisting in the front office and the cafeteria. Beverly always has a smile on her face and a positive attitude. Thank you for a job well done. We appreciate your support in so many volunteer roles.

The following businesses or families have contributed \$150.00 or more to become a 2015/2016 Adopt-A-Class Sponsor:

Thank you for your generous donations to help support the classes with purchasing special needs for their classroom.

Adopt-A-Class Needs

There are many classes and specialists that are in need of you becoming partner of the 2015-2016 Adopt-a-Class Program with your \$150.00 donation. If you know of a business or family member who would like more information please contact **Becky Coghlan at school 727-943-5523** to support this valuable program.

Volunteering Needs

Please consider volunteering for our annual PTA Carnival. The event date is to be announced and will be held here at Sunset Hills. If you could volunteer just an hour or two it would greatly help support the PTA. Please remember you must be a **registered volunteer** for all volunteer opportunities at school.

In closing, please mark your calendar for the **Great American Teach-In, Wednesday, November 18, 2015**. If you wish to participate in this event,

please contact me at **727- 943-5523 ext. 2004**. For the best scheduling, **please print and return a completed form**, which can be printed from the end of the newsletter or on the school website, to the school as soon as possible

October is Red Ribbon Month

Since its beginning in 1985, the Red Ribbon has touched the lives of millions of people around the world. In response to the murder of DEA Agent Enrique Camarena, angered parents and youth in communities across the country began wearing Red Ribbons as a symbol of their commitment to raise

awareness of the killing and destruction caused by drugs in America. In 1988, NFP sponsored the first National Red Ribbon Celebration. Today, the Red Ribbon serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention activities.

SUNSET HILLS' RED RIBBON WEEK

Red Ribbon Week is Oct. 26 - 30, 2015

Red Ribbon Week is a fun and spirited national event that promotes a healthy lifestyle. This week long celebration began in 1988 to honor special agent Enrique "Kiki" Camarena who lost his life while serving with the Drug Enforcement

Administration. Over the years, it has become more about bringing awareness to the consequences of substance abuse and emphasizing the importance of making healthy

Principal Baruti Kafele

“The reality is that in the academic realm, we typically discuss the plight of black males within the context of the overall achievement gap. In doing so, we’re addressing this as an academic problem, which it is not. When we analyze the national achievement data of black males, it becomes glaringly clear that this gap in achievement occurs in virtually every district in the country and across rural, suburban, and urban areas. There are deeper issues that often go unaddressed in schools.”
